Someday We Will Meet Again!

WHAT HAVE YOU BEEN UP TO?

Jim and Diane Laing

Hi, The Laings' s haven been up to much lately! Jim sleeps in and watches TV all day! Diane walks the dog for about an hour when the weather permits. Just trying to stay healthy and safe. We miss all our Jigger friends and pray you all stay healthy and safe. Hope we can be together soon.
Jim and Diane

Steve Ellison

We be good in Tahoe, very few cases reported in the area & the transients have disappeared with all the toilet paper carts. Hope you guys good, Sure glad we got together at Famoso in March.... Eh?

Wayn Phillips

Some of the things, Wayn Phillips has been doing during the shutdown;

1. Learning how to down load and use the GoPro footage from the March Meet. Notice front wheels off the ground this was my 007 light
2. Working on the Jeep truck
3. Painting the Flat Bed
4. And most important Watching the Gophers remodel and expand!

Dave Macdonald

Dave and Pauline are down in Long Beach re-habbing a condo that we bought 20 years ago and staying out of this Corona crap. Can't even stop by to visit The Hungerford's but keep in touch with the almost daily calls from Pat to Pauline. They spend the time discussing cooking while Harold and I sit in the background and listen. Think we' ll bust curfew and spend the night with them on our monthly excursion back to San Carlos.

WHAT HAVE YOU BEEN UP TO?

Braulio Custodio

Braulio Custodio has been working as normal. When he is not working, he enjoys racing or music

Raina Phillips

Besides being able to work from home, Tyler gets to go on lots of walks these days

Ken Buhagiar

Reading...Dorothy and I have done a LOT of reading.

But I have been able to spend a bunch of time in my garage too, working on our 1956 Chevy.

I completed the installation of a Mattson's Custom Radiator cooling module and a Tru-Trac serpentine accessory drive system (see pictures). I am now working on the interior, installing new insulation (Hushmat) and carpeting and a Dakota Digital instrument panel.

Be well and stay safe!

Cheers, Ken and Dorothy Buhagiar

WHAT HAVE YOU BEEN UP TO?

Cisco Lastra

Hello Juggers family,

I work for the San Francisco sewer department, so we're very essential. However, I have been taking advantage of this pandemic by getting the engine swap done in my GTO. I blew the engine up about 2 years ago, and been chomping at the bit to get the new engine in. It's a Pontiac 400 bored and stroked to approximately 475ci. Making roughly 580 hp at the crankshaft on pump gas. I also had to open the transmission up to seal an annoying leak that it had. Be on the look out for it at the next car show.

Until next time,
Cisco Lastra

**Kari Hensel
Aaron Spiteri**

Aaron has been busy working, moving his family business to a new location, but finding time to kayak bass fish too. Kari is working from home and spoiling the heck out of their dog Capone.

MY BAKERSFIELD EXPERIENCE

By Wayn Phillips

I started racing Bill Galli's 71 Vega and got a total of 3 runs last March and 2 runs at Sonoma for the year. Not very many for someone trying to learn the new systems, *what is all this new stuff??* Line lock? Trans brake? I had not drag raced in over 35 years! Oh yes, reaction time?! All new to Me. We arrived at the 2020 March meet on Tuesday hoping to get lots of practice on Wednesday. At the test and tune we only got two runs, then two runs Thursday, and one run Friday. I ran 10.20's – 10.50 in qualifying rounds, so in the first round we dialed a 10.30. What I ran was a 10.08 on a .007 light, so I was out in the first round, but oh what a way to go! I was very happy with the best et and reaction time. We all had a great time. Thanks to Bill for letting me drive this fantastic car! Julia, Betty, Nathan & Sharon all part of the pit team. Thank you. Wayn

NEED HELP? ASK A JUGGER!

Undoubtedly we are navigating uncertain times. One of the tenants of the Juggers Racing Team has always been to help one another. Many of us will face upcoming hardships, be them of health or finances. If you need help, don't be afraid to ask your brethren. If you can offer help, be the help someone needs. And don't forget to wash those hands!

ATTENTION IN THE PITS – please send any corrections and / or articles, classifieds or whatever to juggersracingsecretary@gmail.com for upcoming newsletters. Deadline is the 15th of each month.

Next Meeting: **MAY MEETING CANCELLED!** We will advise about June as the time gets closer
