

Race Report from Sonoma on July 4th

By Dianna Munro

Happy Birthday America! Those of us that had the day off decided to go racing. There was a good Jugger turnout. The President, Vice-President, Greg and myself were there and ready to race! Little Bob showed up to help.

We saw Sabrina Pecora, Judy McGarvey, Roy in the Yellow Nova, Steve Romero in the black Nova, John Murphy, Steve Cloud, Harold Binsfield, and Weasel just to name a few. I think we even recruited a new member or two! Great work Champ!

Weasel, man is he consistent! As soon as he gets this breathing and waiting for the light to turn green thing down. He is gonna rack up some WINS!!!! He ran an 8.87, 8.87 and an 8.88. That picture of Weasel below all torqued up was from qualifying, damn red light...His first round, he made sure the light was green before he left and dang it that other guy beat him off the line... What a pisser Weasel!

We went out first round, something about running on 7 cylinders. ☹️ I just stopped taking notes after that... As we packed up we watched the rounds go by. The last Jugger in the mix was Harold, when Greg and I left, he was going to the Finals!!! I never heard if he won.... I am not on that Facebook thing anymore. I barely have enough time to keep myself situated let alone surf on the Facebook.

Chef Martha didn't make it but she made sure we were taken care of! We got a Hershey's Chocolate Chocolate Cake. If you have ever had one, you KNOW what I am talking about when I say this cake is soooo good it doesn't need frosting! Again I will spare you the pictures of us with chocolate residue around our mouths.
